

Strands of Hope Mission:

Making heart-to-heart connections through jewelry infused with compassion, love & hope

Strands of Hope began when four women came together after experiencing major life crises. In their individual challenges, they were met with generosity, compassion, and love. Strands of Hope emerged out of their gratitude.

The necklace consists of the Strands of Hope[®] pendant, glass beads, stones or pearls, and one random bead. The pendant represents the connection between the necklace's maker and its recipient. The random bead signifies the unpredictability in life. The positive energies of...

<i>Courage</i>	<i>Joy</i>
<i>Hope</i>	<i>Gratitude</i>
<i>Wisdom</i>	<i>Love</i>
<i>Compassion</i>	<i>Justice</i>
<i>Faith</i>	<i>Peace</i>

...connect us to each other.

As you thread these beads, please reflect on your hopes for the recipient of this gift.
